**DECLARATION OF ELIZABETH LAPUMA IN  
SUPPORT OF APPLICATION OF THE OFFICIAL COMMITTEE OF  
UNSECURED CREDITORS OF THE HERTZ CORPORATION, ET AL., FOR ORDER:  
AUTHORIZING EMPLOYMENT AND RETENTION OF UBS SECURITIES LLC AS  
INVESTMENT BANKER *NUNC PRO TUNC* TO JUNE 17, 2020**

Elizabeth LaPuma, makes this declaration under 28 U.S.C. § 1746, and states the following:

1. I am a Managing Director at UBS Securities LLC (“**UBS**”) and am duly authorized to make this declaration (the “**Declaration**”). I make this Declaration on behalf of UBS.

2. I submit this Declaration in support of the application (the “**Application**”)<sup>2</sup> of the Official Committee of Unsecured Creditors (the “**Committee**”) of the above-captioned debtors and debtors in possession (the “**Debtors**”) for entry of an order authorizing the retention and employment of UBS as investment banker to the Committee, *nunc pro tunc* to June 17, 2020

---

<sup>1</sup> The last four digits of The Hertz Corporation’s tax identification number are 8568. The location of the debtors’ service address is 8501 Williams Road, Estero, FL 33928. Due to the large number of debtors in these chapter 11 cases, for which joint administration for procedural purposes has been requested, a complete list of the debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the debtors’ claims and noticing agent at <https://restructuring.primeclerk.com/hertz>.

<sup>2</sup> Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Application.

(the “**Engagement**”). The Application seeks an order authorizing the Committee’s retention and employment of UBS as investment banker on the terms and conditions set forth in the Engagement Letter attached to the Application as **Exhibit B**, as modified by the proposed order annexed to the Application. I submit this Declaration in compliance with sections 328 and 1103(a) of the Bankruptcy Code and to provide the disclosure required under Rules 2014(a) and 2016 of the Bankruptcy Rules and Rules 2014-1 and 2016-2 of the Local Rules.

3. Unless otherwise stated in this Declaration, and based on inquiries of UBS deal team members working on the Engagement, I have personal knowledge of the facts as set forth herein. To the extent that any information disclosed herein requires subsequent amendment and/or modification, UBS will use reasonable efforts to file a supplemental declaration reflecting such amended and/or modified information.

4. To the best of my knowledge, information and belief, UBS: (a) is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code; (b) does not hold or represent an interest materially adverse to the Debtors, their creditors, or their shareholders with respect to the matters for which UBS is to be employed; and (c) has no connection to the Debtors, their creditors, shareholders, or related parties herein except as disclosed in this Declaration.

5. UBS has undertaken an internal search to determine whether UBS has any conflicts or other relationships that might cause it not to be eligible for employment by the Committee in these Chapter 11 Cases. In connection with its proposed retention by the Committee in these Chapter 11 Cases, UBS obtained from the Debtors and/or their representatives the names of individuals and entities that may be parties in interest in these Chapter 11 Cases and certain additional parties that had filed a notice of appearance in the Chapter 11 Cases prior to July 1,

2020 (the “**Potential Parties in Interest**”), which parties are listed on **Schedule 1** attached hereto. UBS then compared the names of the Potential Parties in Interest with the names of entities for which UBS and/or UBS Investment Bank provided services in the last two years or currently hold any debt or equity or other significant relationships (the “**Internal Review**”).

6. Based on the foregoing inquiry, to the best of my knowledge and belief, UBS’ and UBS Investment Bank’s representation of the Potential Parties in Interest was or is only on matters that are unrelated to the Debtors and these Chapter 11 Cases. In particular, to the best of my knowledge, information, and belief, UBS is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, in that UBS and its professionals:

- a. are not creditors or insiders of the Debtors;
- b. have not been, within three years before the date of this declaration, a director, officer, or employee of the Debtors; and
- c. have certain relationships with certain of the Debtors’ creditors, other parties in interest and other professionals in connection with unrelated matters, but have not provided services to any such creditor, party or professional in connection with matters relating to the Debtors or these Chapter 11 Cases.

7. Neither I nor any of the UBS professionals who will provide services for the Committee is related to any Judge of this Court, the U.S. Trustee, or Assistant U.S. Trustee for this District, or the U.S. Trustee trial attorney assigned to these Chapter 11 Cases.

8. In connection with the Internal Review, UBS Investment Bank identified a small subset of Potential Parties in Interest (or one or more of their affiliates, as the case may be) that UBS or the UBS Investment Bank (i) provided services to within the last two years or is currently providing services to, in each case wholly unrelated to the Debtors and these Chapter 11 Cases or (ii) holds equity interests in such Potential Party In Interest (collectively, the “**UBS**

**Connections**”). The UBS Connections are noted by an asterisk on Schedule 1. The revenue generated from the UBS Connections on an individual basis over the past two years is less than 1% of UBS Investment Bank’s total revenue over such two-year time period. UBS’ equity ownership in any Potential Party in Interest is less than 1% of such Party in Interest equity holding with the exception of 2 non-debtor and non-debtor affiliated public companies where UBS holds less than 3%<sup>3</sup>.

9. Also, UBS Investment Bank may have provided or received services, is currently providing or receiving services, or in the future may provide or receive services to or from mutual clients and law firms, financial advisors, accounting firms, and other professionals that are Potential Parties in Interest or may become parties in interest, all in matters unrelated to these Chapter 11 Cases. In addition, UBS Investment Bank may have provided services, is currently providing services or in the future may provide services to persons who are creditors, vendors, suppliers, landlords, taxing authorities, insurance companies, utility providers or shareholders of the Debtors, otherwise have a business relationship with the Debtors, or who are competitors or customers of the Debtors. Potential Parties in Interest, persons that may become parties in interest in these cases, and persons that have business relationships with the Debtors, are competitors of the Debtors, or that are customers of the Debtors may be: (a) parties in interest in other bankruptcy cases where UBS or UBS Investment Bank is acting as investment banker or financial advisor to the debtors or to other parties in interest therein; or (b) affiliates of or creditors of persons who UBS or UBS Investment Bank may have provided services, is currently providing services or in the future may provide services. In the ordinary course of its business, UBS Investment Bank may also purchase services or products from and/or have other non-investment

---

<sup>3</sup> UBS will provide the identity of the 2 public companies upon request on a confidential basis.

banking relationships with Potential Parties in Interest, including landlords, taxing authorities, vendors, competitors, insurance companies and utility providers and other persons that are or may become parties in interest in these Chapter 11 Cases.

10. The Internal Review included a review of the 199 individual names<sup>4</sup> that were included as Potential Parties in Interest. In particular, UBS notes that many of the Debtors' current and former Directors are also directors, officers or have relationships with other corporate entities that UBS may have represented in the past or may be currently providing services unrelated to Debtors or these Chapter 11 Cases. However, the Internal Review of these individuals did not reveal information that UBS believes would impact its representation of the Committee or result in UBS not being a "disinterested person" for purposes of these Chapter 11 Cases.

11. Given the size of UBS Investment Bank and the breadth of UBS Investment Bank's client base, it is possible that UBS Investment Bank may now or in the future be retained by one or more of the Potential Parties in Interest in matters unrelated to the Debtors and these Chapter 11 Cases. In particular, among other things, UBS Investment Bank may have relationships with persons who are beneficial owners of Potential Parties in Interest and persons whose beneficial owners include Potential Parties in Interest or persons who otherwise have relationships with Potential Parties in Interest. Moreover, UBS Investment Bank's employees may have relationships with Potential Parties in Interest, persons that may become parties in interest in these cases, and/or persons that have business relationships with the Debtors, are competitors of the Debtors, or that are customers of the Debtors. Finally, UBS and UBS Investment Bank employ thousands of employees. It is possible that certain UBS and/or UBS Investment Bank employees

---

<sup>4</sup> Only individual names were included on the Potential Parties in Interest list and no other client identifying information such as a social security number or personal address. Accordingly, the Internal Review may have generated false positive results. Further, UBS may represent clients or receives services from corporate entities that are owned or controlled by such individuals but not related to the Debtors or the Chapter 11 Cases.

hold securities of the Debtors or interests in mutual funds or other investment vehicles that may own the Debtors' securities. However, none of the UBS employees working on this engagement own any debt or equity interests in the Debtors (other than indirectly through mutual funds, ETFs or similar investment vehicles that are professionally managed and invest in a range of securities).

12. UBS Investment Bank also has wealth and asset management affiliates (collectively, "**UBS Wealth and Asset Management Divisions**") that are part of the UBS Group and are indirectly owned by UBS AG. The UBS Wealth and Asset Management Divisions are operated as a separate and distinct business groups and are separated from UBS Investment Bank. UBS Investment Bank has in place compliance procedures to ensure that no confidential or non-public information concerning the Debtors has been or will be available to any employees of UBS Wealth and Asset Management Divisions. In addition, no employees of UBS Wealth and Asset Management Divisions will work on these Chapter 11 Cases, and UBS employees working on these Chapter 11 Cases have no involvement in the investment or other business decisions of UBS Wealth and Asset Management Divisions. As part of their regular business operations, UBS Wealth and Asset Management Divisions may hold investment positions, act as investment advisor for, or trade securities (including in discretionary client accounts and through the operation of hedge funds and mutual funds) on behalf of Potential Parties in Interest in these Chapter 11 Cases. Some of these UBS Wealth and Asset Management Divisions accounts and funds may have held, may now hold or may in the future hold debt or equity securities of the Debtors or the Debtors' creditors, equity holders, or other parties in interest in these cases, for the benefit of UBS Wealth and Asset Management Divisions' clients or customers. Additionally, the Debtors, creditors, equity holders, or other parties in interest in these Chapter 11 Cases, and UBS or its affiliates, managing directors, and employees, may be investors in investment funds that are managed by

UBS Wealth and Asset Management Divisions. However, based on the separate legal entities, business separation and compliance information barriers referred to above, I do not believe that the activities of UBS Wealth and Asset Management Divisions constitute a conflict of interest that would disqualify UBS from providing the services described in the Engagement Letter.

13. In addition, in the ordinary course of its business as a global securities trading firm, UBS Investment Bank has a trading desk (the “**Trading Desk**”) that may be involved in transactions with Potential Parties in Interest. For the reasons described below, none of these relationships constitutes an interest adverse to the Debtors’ estates. Specifically:

- a. The Trading Desk regularly engages in trading securities (for purposes hereof, including loans). These trades may include trades of securities of Potential Parties in Interest and/or trades with Potential Parties in Interest for the account of UBS, its affiliates or its customers (including Potential Parties in Interest);
- b. The Trading Desk may also purchase indexes, portfolios or baskets of securities which may include securities of the Debtors (not to exceed 10% of such index, portfolio or basket) for the account of UBS, its affiliates or its customers;
- c. The Trading Desk has purchased and may continue to purchase securities issued by entities that have invested directly or indirectly in pools of mortgages, which pools include mortgages on properties of Debtors or non-Debtor affiliates, for the account of UBS, its affiliates or its customers.

14. As discussed below, these activities are subject to the Information Barrier Procedures (as defined below). Further, in connection with the Internal Review, as of the Petition Date, UBS Investment Bank does not own a proprietary interest in any debt or equity securities of the Debtors.

15. As part of its regular business operations, the Trading Desk may trade securities or other instruments of the Debtors on behalf of third parties (some of whom may be Potential Parties in Interest in these Chapter 11 Cases). UBS may also trade securities and other

instruments of the Potential Parties in Interest on behalf of itself and/or its affiliates or third parties. UBS also engages in certain types of market-making activities and, in connection therewith, may hold securities and instruments of the Debtors (and/or the Potential Parties in Interest) in order to facilitate the purchase and/or sale of such securities and instruments by clients who wish to engage in trade of such securities and instruments. In connection therewith, UBS may temporarily hold long and short position in such securities and instruments until trades are consummated with the clients. The Trading Desk and any and all such trading operations and market-making activities are separated from other areas of the UBS Investment Bank, including employees in the restructuring group and all investment banking professionals working on these Chapter 11 Cases, pursuant to the Information Barrier Procedures (described below), and no UBS professionals providing services to the Debtors will be involved in such trading operations and market-making activities in any capacity.

16. As previously disclosed herein, UBS and UBS Investment Bank operate independently from the UBS Wealth and Asset Management Divisions and in compliance with rigorous internal policies, barriers and compliance procedures, UBS and the UBS Investment Bank and the deal team members working on the Engagement do not have any control, and may not access any information, regarding any holdings that UBS Wealth and Asset Management Divisions and the Trading Desk (as defined below), may have in the Debtors' debt or equity whether held on a proprietary or client facilitation basis. Although certain employees of UBS, UBS Investment Bank, UBS Wealth and Asset Management Divisions and the Trading Desk are physically located at UBS' US Headquarters at 1285 Avenue of the Americas in New York<sup>5</sup>, the employees are

---

<sup>5</sup> Due to the Covid-19 pandemic, almost all of the employees working at the US Headquarters have been working remotely since March 2020. UBS' Information Barriers and Procedures have been modified or augmented to address remote employees and compliance with such Information Barriers and Procedures continues to be actively monitored and enforced by compliance teams and control room groups.

separated by physical barriers, include different building floors. In addition, building areas are restricted by individual security access rights that is separately monitored and enforced by UBS' internal security department and compliance teams.

17. The Internal Review confirmed that as of the date of this Declaration, UBS Securities LLC does not hold any proprietary interest in any debt or equity of the Debtors, however, UBS Securities LLC, in the ordinary course of business may have in the past and may currently be nominally listed as a noteholder or equity holder, for the benefit of a client. Any such holdings are subject to UBS' internal policies, including information barriers as discussed below. Specifically, the deal team working on the Engagement are boxed and separated from any UBS Securities LLC employee that may be acting on behalf or at the direction of a client with respect to such debt or securities.

18. Pursuant to UBS' information barrier policies and procedures (the "**Information Barrier Procedures**"), UBS has established and will maintain the following internal procedures (subject to the next paragraph of this Declaration): (i) UBS professionals, including those advising the Committee, have received training with respect to the Information Barrier Procedures and are required to certify annually that they are aware of and will comply with such procedures; (ii) the UBS professionals advising the Committee in these Chapter 11 Cases will not directly or indirectly share any non-public information generated by, received from, or relating to the Debtors or these Chapter 11 Cases with any other employees, representatives, or agents of UBS, except on a strictly confidential basis with other UBS employees, representatives, or agents who need to know such information for purposes of advising the Debtors, (iii) UBS professionals advising the Debtors in these Chapter 11 Cases will not receive any information regarding UBS' trading in securities in advance of the execution of such trades; (iv) the UBS compliance

department reviews UBS' trades to determine if there is any reason to believe that such trades were not made in compliance with the Information Barrier Procedures and maintains records of such reviews; (v) the management team of UBS' investment banking department monitors (in consultation with the compliance department) a sampling of e-mails of professionals in the department (including those professionals advising the Debtors in these Chapter 11 Cases) to prevent unauthorized disclosure of information through electronic means from professionals in the investment banking department to professionals in the UBS business units engaged in trading activities; (vi) UBS professionals advising the Committee in these Chapter 11 Cases work on building floors that are physically separated with monitored security access from the Trading Desk and other business units engaged in trading activities; (vii) UBS professionals involved in UBS' trading activities will be unable to access the computer files and documents created and prepared by those professionals involved in these Chapter 11 Cases; and (viii) UBS will immediately inform counsel for the Committee, counsel for the Debtors and the United States Trustee in writing if such procedures are breached in connection with these Chapter 11 Cases.

19. Notwithstanding the foregoing, the UBS professionals advising the Committee in these Chapter 11 Cases may share information with (i) senior management of UBS who, due to their duties and responsibilities, have a legitimate need to know such information, provided that such individuals (a) otherwise comply with the procedures described in the previous paragraph of this Declaration and (b) use such information only in connection with their senior managerial responsibilities; (ii) regulatory authorities; and (iii) legal, compliance, internal audit, and other internal control functions within UBS that need to know such information for purposes of carrying out their control functions.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Dated: July 22, 2020
